CBI STUDENTS WRITE ...

CBI has been a wonderful addition to my life. I enjoy doing my studies and I can't wait to get my next lesson and the corrected lesson back. This study has helped me get into a regular study of the Word and encourages me to dive in and see what else I can learn.

HEATHER, IL

CBI has meant a lot in my life, helping me see things that I didn't see on my own. It has been edifying to my spiritual growth. The encouraging letters from the Instructors that God has placed to grade my work have been a blessing as they share of their knowledge and wisdom.

JOSE, CA

The Crossroad studies have helped me find my way through the Bible with solid direction and encouragement from the Instructors, who so kindly give their time to grade and personalize each lesson. I have received many blessings and answers to my prayers.

EDWARD, CA

What a blessing Great Truths of the Bible has been to me...The lessons and the personal notes of encouragement from the Instructors have been the tools that God has used to lift me up and set me in a high place. Even though I remain incarcerated – my future is no longer uncertain....CBI has been, in no small part, a major part of my restoration.
